CONFERENCE WORKSHOPS

Managing a checking account and debit/ATM cards (required)

Learn the “ins and outs” of how a checking account works and how you can use debit and ATM cards safely and appropriately.

Credit Card / Credit Score / Credit Rating (required)

What can happen to you if you get a bad credit rating? What does that even mean? How can you avoid that for your future? How do you use a credit card so that you don't get into credit trouble?

Budget/personal finance (required)

How can you best budget for your own personal financial needs and wants? You CAN get what you want, if you know how to prepare for it!

Identity Theft

Enjoy a fun skit showing what can happen when identity theft occurs and what you can do to prevent it!

Bank/finance company/credit union products: savings account, money market account, CD

What's the difference between a bank and a credit union, a money market account and a CD? What products do banks offer to customers to get their business? Which ones are most useful for you and your financial situation? This session will show you all you need to know!

Banks – what they do and how they operate

Learn what banks are all about and how they manage the business of banking.

Federal Reserve

Play Federal Reserve JEOPARDY and WIN BIG!!!

Basics of a loan – car, personal, home

Understand how to take out a loan, what it means to your financial status and things to be aware of in the process. In this session, you get to buy your own car!!

Stock Market

Buy low, sell high...what does it all mean? Learn how to play the stock market at this session.

Job/Paycheck/Taxes/Careers

What career will give you the paycheck you want and still make you happy? Learn how to assess your future and have a fulfilling career and life that suits you!

Money matters for Moms

Moms - come and learn how to save \$\$ for college and how to talk to your kid/teenager about finances – A can't miss session for parents!
